Dear Ms. Best:

We received your Freedom of Information Act (FOIA) request on June 13, 2019.

Your request, which seeks access to a list of the investigations closed by the Office of Inspector General (OIG) in CY2018 (or, if the list is organized by FY rather than CY, then a FY2018 list is acceptable), has been assigned the following reference number that you should use in any future communications with us about your request: NRC-2019-000334.

To ensure the most equitable treatment possible of all requesters, the NRC processes requests on a first-in, first-out basis, using a multiple track system based upon the estimated time it will take to process a request. Based on your description of the records you are seeking, we estimate completion of your request will be on or before July 12, 2019.

Please know that this date is a rough estimate of how long it will take us to close requests ahead of yours in the respective track and complete work on your request. The actual date of completion might be before or after this estimate, based on the complexity of all the requests in the simple track. We will advise you of any change in the estimated time to complete your request.

For purposes of assessing fees in accordance with our regulations (10 CFR 9.33), we have placed your request in the following category: Representative of the news media. If applicable, you will be charged appropriate fees for: duplication. However, since your request evinced a preference that we provide you our response, including any released records, electronically, you will not incur any duplication charges.

Best E.
